Jay Beckenstein would like to thank:

All of the people who have helped keep this thing going for all of these years, you know who you are. I'd also like to thank D'Addario and L.A. Sax for their support. Lastly, a shout out to our new friends at Heads Up and Telarc.

Tom Schuman would like to thank:

My wife, Yvonne GilmoreSchuman, for her undying love and support. Also, the folks at Nemesys Music Technology, especially Jim & Suezean VanBuskirk, Dave Govett, Sergio Samayoa and Kevin Phelan for the incredible GigaStudio Sampler. And finally, Paul Erlandson and Peter Snell of Soundchaser for the uncrashable digital audio workstations.

Julio Fernandez would like to thank:

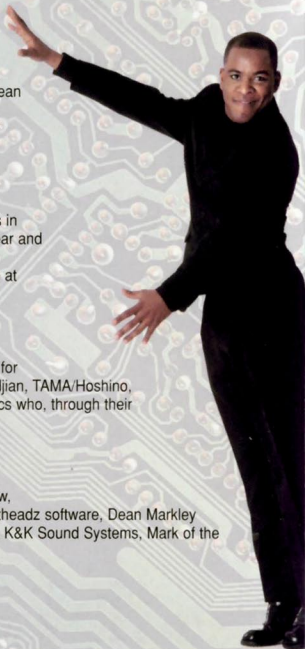

My family and close friends for their love and support; My compadres in the band and road crew; Phil, Nadine and everyone at Crosseyed Bear and BearTracks for making it all happen; Ronaldo Orlandoni for the great guitars; Dean Markley Strings, Fishman, Rivera, Hafler and everyone at Pastore Music. Thank you all!

Joel Rosenblatt would like to thank:

All my family (including new members FR&LR!) and personal friends for their care and support, I love you all! In addition, all my friends at Zildjian, TAMA/Hoshino, Vater, Attack Heads, Latin Percussion, Rhythmtech and Hart Dynamics who, through their support and friendship, allow me to express myself!

Scott Ambush would like to thank:

God the Creator, the Ambush family, all the guys in the band and crew, and everyone at Crosseyed Bear, Azola basses, Bartolini pickups, Bitheadz software, Dean Markley strings, EBS bass gear, Eden Amplification, Hafler, Hipshot Products, K&K Sound Systems, Mark of the Unicorn, and Moses graphite products.
